AI-POWERED FEATURES

Universal Media Support

Process any video or audio format with ease.

Time Stamping

Generate accurate transcripts with intelligent AI.

Subtitle Generation

Create subtitles automatically for enhanced accessibility.

Smart Summarization

Get concise, context-aware summaries of your content.

AI Chatbot Integration

Interact with your media through our intelligent chatbot.

Advanced Navigation

Seamlessly search and navigate through your media.

Multilingual Analysis

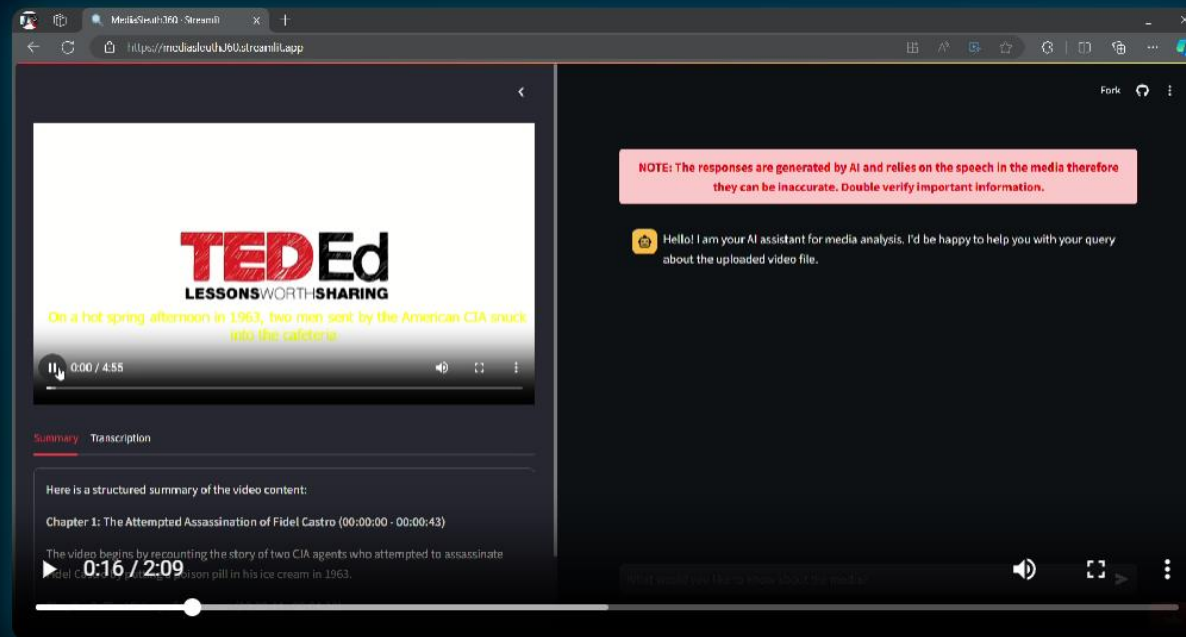

Break language barriers with our global content analysis.

Intelligent Caching

Experience lightning-fast processing with smart caching.

MEDIASLEUTH360 IN ACTION

Welcome to MediaSleuth360

! Instructions

1. Upload an audio or video file in any language, make sure media file is less than 200MB.
2. The media summary will be displayed below the media player in English Language.
3. Type your question in the chatbox about the media content you uploaded.
4. The AI assistant will respond to your prompt after analyzing the media.

Upload Media File

Drag and drop file here

Limit 200MB per file

Summary Transcription

Here is a structured summary of the video content:

Chapter 1: The Attempted Assassination of Fidel Castro (00:00:00 - 00:00:43)

The video begins by recounting a failed attempt by the CIA to assassinate Fidel Castro by poisoning his ice cream milkshake.

Chapter 2: The History of Ice Cream (00:00:44 - 00:04:38)

The video then delves into the history of ice cream, tracing its origins back to ancient civilizations such as ancient Rome, Mughal India, and Tang Dynasty China. It discusses how ice cream was initially enjoyed by royal elites and
